As a member of the College Woman's Club, you already demonstrate your commitment to paying it forward to support young women as they pursue higher education. We encourage you to encourage your daughter to become a member of the College Woman's Club. Our membership committee is actively brainstorming innovative approaches to membership acquisition. Legacy Giving to the CWC

Your gift will make a lasting impact and help us meet our goal to continue serving young women in the Westfield community today and in the future. Bequests, beneficiary designations and other types of planned gifts are vital to the continued sustainability and relevance of College Woman's Club of Westfield. End of Year Giving - Please Donate

Unfortunately, current economic conditions and loss of family income have made it increasingly difficult for deserving applicants, spotlighting the importance of financial aid and endowed scholarships.

As we approach the closing of 2020, we thank you for your generous support of The College Woman's Club of Westfield. With your help we have been providing scholarships to young women and serving our community for over 100 years.

Please consider continuing your support by including a donation to the Club as part of your year-end giving. Donations may be made online by clicking the following link: [Donate Here](#)
