<b>Net Reserve for ongoing working budget</b>	<b>\$4,911.00</b>	<b>\$10,490.00</b>

## 2022 By Law Changes

---

- Proposal for By-Law Change: Add option for Co-President
  - Amendment: An office of two Co-Presidents may be considered by the Nominating committee if the need arises.
  - Rationale: To enable Nominating committee ability to cast broader net for potential Presidential candidates
  
- Proposal for By-Law Change: Amendment to composition of Scholarship Committee
  - Amendment: member-at-large rather than President
  - Rationale: Allow more members of the College Woman's Club an opportunity to serve on this important committee and see the impact the club makes on the lives of women here in Westfield.

# Our 2021-22 Zoom Series Content

# Essay Contest 2022

Congratulations **Natalie Fitzgerald** and thank you to our essay contest readers: Jane Curtis, Alice Dillon, Ingrid McKinley and Shirley McMeekan.

 THE COLLEGE WOMAN'S CLUB OF WESTFIELD  
Established 1917  
Furthering the Higher Education of Women Since 1917

## Letter to My Younger Self Essay Contest

*Reflect on your life and examine your successes and failures. Write a letter to your younger self, telling yourself 5 important things to know about success and failure. Please include any important messages you might wish to tell your younger self.*

**Eligibility**  
The essay contest is open to female sophomore students attending public, private, parochial, or home school. Applicant must be a current Westfield resident.

Include your full name, address, and cell phone number on your essay application.

Typed essays must be 500 words or less. Essays must be your original work.

**Contest deadline**  
The contest deadline is Tuesday, March 1, 2022  
Please submit your essay to our email: [cwc.westfield@gmail.com](mailto:cwc.westfield@gmail.com).

**Recognition and Award**  
Winner receives a \$100 Amazon gift card

Since 1917, the College Woman's Club's mission has been to further higher education of women. Our primary purpose is the awarding of scholarships to young women from Westfield based on academics, leadership and financial need. The CWC also maintains an active calendar of events including guest speakers, interest groups and fundraisers.  
Visit our website: [www.cwcclubwestfield.org](http://www.cwcclubwestfield.org).

# CWC Strategic Plan: August 2021, From the desk of Anne Wargo

This document is intended to serve as a roadmap and guide for work conducted by the CWC Board and Membership in the coming years. The focus areas listed are intended to galvanize a body of membership to support.

Our Mission: The College Woman's Club of Westfield was founded in 1917 "to further the higher education of women and serve the general interests of the community." Our primary purpose is the awarding of scholarships to young women from Westfield on the basis of academics, leadership and financial need.

## CWC Strategic Plan Core Focus Areas

1. Membership Engagement: Grow our CWC Family at every point in the Lifecycle
2. Development: Grow our Endowment to \$1Million so that Investment Income can drive our annual Scholarship Grant Giving
3. Finance: Streamline and simplify finance process to avoid volunteer fatigue
4. Marketing: Develop a broader PR function and nurture over time
5. Board Development and Governance: Put in place Succession Planning to identify Board and Exec Roles with a five year view

## Where We Need to Focus Energy

1. Fully activating fundraising and getting the Board really involved
2. Actively engaging our entire inter-generational community
3. Telling our story and effectively using data to drive programs, funding
4. Leveraging technology -- Membership Works, Quickbooks, Social Media, Website, Online application

*This Strategic Plan is aspirational in many ways. And the journey to achieve our aspirations is possible. I hope that our team and those who follow us will look to this plan as a roadmap for the CWC that serves to ensure an enduring legacy.*

# 1917 Society and Pledge Campaign

---

## 1917 Society

- Bequests are gifts that are made as part of a will or trust. A bequest can be to a person, or it can be a charitable bequest to a nonprofit organization, trust or foundation. Anyone can make a bequest—in any amount—to an individual or charity. Bequests can be simple—“I give \$1,000 to my grandson”—or complex, with conditions about how the gifts can be used.
- To make a bequest, you need to leave instructions, typically in a will. Other documents, such as beneficiary designations and revocable living trusts, may also be part of how your estate plan is managed after your death. You can detail different types of bequests in your will and update it throughout your life as your family, priorities and wishes evolve.

## Pledge Campaign

- A pledge helps us build our endowment and better forecast our ability to deliver scholarship funding to deserving young women in Westfield. We envision building the endowment to a level where we can use the investment income from a larger endowment to fund our scholarships. This approach will also allow us to deliver more programming and meaningful events to our membership.
- Examples:
  - \$125/quarter for 2 years (\$1000 over two years)
  - \$312.50/quarter for 2 years (\$2500 over two years)
  - \$416.00/quarter for 3 years (\$5000 over three years)

# President's Report: Thank Yous Galore

Ingrid McKinley for her tireless public relations and publicity work

Susana MacLean, for helping create and manage the College Landscape Zoom Series

To the following individuals for their donation of time, content and participation in the College Landscape Zoom Series

2022 CWC Scholarship Committee:

- Judy Brucia, Chair
- Jennifer Jaruzelski, Assistant Chair
- Jackie Cash
- Alice Dillon
- Fran Faltermeyer

## Riley Gasson: \$9000 Grant in Memory of Katharine Jaruzelski

Praised by her guidance counselor for her love of learning, critical thinking and passion for social justice, Riley Gasson has used all three attributes as an advocate and student advisor for Holocaust studies. While researching her Junior Research Paper on U.S. response to the Nazi genocide, Riley visited the Holocaust Resource Center at Kean University and was deeply moved and motivated to further study this horrific event.

She was accepted to USC's Shoah Foundation William P. Lauder internship program where she was one of 40 students nationwide who tested state-of-the-art technology for Holocaust education, including a hologram-like program that mimicked conversation with a survivor. Riley channeled these experiences into her Girl Scout Gold Award project, creating a platform for high school educators to teach bias, prejudice and anti-Semitism in underfunded school districts.

Riley's academics reflect her drive to excel: she is a member of the National Honor Society and maintains a 4.0+ GPA with a challenging curriculum that includes 2 honors and 4 AP classes. She still found time to manage the WHS Girls Swim team and serve on Model UN all four years of high school. She also volunteered as an adaptive swim instructor at Children's Specialized Hospital and works at the JCC pool.

Riley became EMT certified with the Scotch Plains Rescue Squad, a goal she said she was driven to achieve because the experience of learning about 6 million lost lives inspired her to learn how to save even a single one. Riley plans to study Neuroscience at William & Mary with a possible future in medicine.

# Rachel Kamienski: \$1,000 Anthony James Master Builders Scholarship and \$12,000 CWC Scholarship

Challenges beyond her control held Rachel Kamienski back during her first years at Westfield High School. However, these same challenges have provided her with a maturity beyond her years and allowed her to restart her academic career with a new-found enthusiasm. As a result, over a period of four years, her grades indicate an impressive improvement in all areas of her college prep courses.

Rachel has a passion for writing and joined school clubs where she further developed this passion. She hopes to make writing her major when she attends San Diego State University in the Fall.

She has been volunteering at an Agape center for feeding the homeless in Elizabeth and works in a local business where the manager says she excels in all areas of the business and "trusts her completely." She intends to participate in work/study courses in college.

It is clear that Rachel will persevere, excel and thrive as she goes forward.

# Isabella Lagatta: \$2,000 Past President's Scholarship and \$7,000 College Woman's Club of Westfield Scholarship

Isabella's incredible passion for reading and writing has driven many of her successes. Her senior year, she took AP Literature, AP Latin 4 and Journalism 3. Excelling in all of these classes, she also won the National Latin Exam Silver Award.

Isabella wrote for the HI's Eye, managing the website and social media. She wrote in her college essay of her love of reading and how reading evokes a feeling of accomplishment and fosters discipline. For her Girl Scouts Gold Award Project, Isabella shared her love of reading by collecting 3500 books and soliciting donations to set up a library for an inner-city school. The school's principal wrote that the project has forever changed the school for the better. In addition to receiving the Gold Award, she received the Girl Scout Heart of NJ Change Maker Award and President's Volunteer Service Award.

Isabella is also an Equestrian on a highly ranked team as well as is a Junior Instructor and Hunt Club Second Lieutenant. She is a member of the WHS Concert Choir and won the National Federation of Music Club honor all four years of high school. She is a Library volunteer and Teen Book reviewer, performs on various service projects through her church, is a member of the Latin and Book Clubs at WHS.

Her guidance counselor wrote about how friendly, thoughtful, and kind she is. He went on to say how honest and respectful she is, and her optimism and determination helped her handle both struggle and success during her high school years. Isabella will be attending Skidmore in the Fall and would like to get her Master's Degree and become a writer or journalist. We are excited to follow Isabella's future endeavors!

## Payton Silverman: \$9,000 CWC Scholarship

---

Payton is an extremely capable young woman who has been described as intelligent, hardworking and positive. A straight A student, the work she has created is organized and thoughtful, showing a high degree of maturity. Honors that she has achieved include the National Honor Society, the Distinguished Honor Roll and the New Jersey State Seal of Biliteracy (Spanish).

While maintaining a high GPA (4.0), Payton was also involved in a multitude of other activities. She has helped mentor incoming freshmen as a leader for the Transition Project and has worked to end discrimination as an active member of the No Place To Hate Club. She has also made items for hospitals as a member of the Fashion Designers Club and volunteered to help the elderly and disabled in our community as a member of WAYVE (Westfield Area Youth Volunteer Experience).

Tennis has been one of Payton's favorite extra-curricular experiences. An avid and talented player, she is a member of the WHS varsity tennis team and served as captain this year. Her former tennis coach was so impressed by her ability and dedication that he hired her to be one of his instructors. She will teach tennis to children, ages 7-14, this summer.

Payton will be attending Providence College where she plans to major in science due to her interest in biology and chemistry. The College Woman's Club wishes her well and is happy to support her on the path to achieve her goals.

# College Woman's Club Members' Graduating Seniors

---

- Maggie Cassidy
- Ainsley Ellison
- Ryan Friedberg

*Congratulations!*
